

Face Mask + Hygiene Tips

San Francisco

NOTE: Cloth masks protect against covid-19, but NOT against fire smoke

Wearing your mask

- Do cover your nose, mouth, and chin
- Do wear your mask when you are near other people
- Do wear your mask when you are on a bus, the metro, or in a store
- Don't touch the front of the mask or your face before washing your hands

Washing your mask

- Wash your mask with **warm water and soap** at the end of each use
- **Air dry** your mask after wash
- Wash your mask **at least once a day**
- **Where to wash:** Flip this page for [hand washing stations](#). You can also wash your mask where you [wash your clothes](#) or [get cooking water](#).

Staying healthy

- Do wash your hands frequently for 20 seconds at a time, especially after using the bathroom and before eating food – flip this page for a **list of places to wash your hands** –
- Do use **hand sanitizer** if you are unable to wash your hands
- Do stay **6 feet away** from other people whenever possible
- Don't touch your face unless you have washed/sanitized your hands first

If you are sick

- The main symptoms of coronavirus are a dry cough and difficulty breathing. Fever, headache, chills, sore throat, muscle pain, and loss of taste or smell are also symptoms.
- If you feel sick, call SF Community Clinic Consortium: **(415) 355-2222**
- If you are having trouble breathing, call **911**
